Licensee under 35 U.S.C. 184 is hereby granted to file in any foreign country a patent application and any amendments thereto corresponding to the subject matter of this U.S. application identified above and/or any material accompanying the petition. This license is conditioned upon modification of any applicable secrecy order and is subject to revocation without notice.

License Number: 538,671

Grant Date: 24-Aug-07

**This license is granted retroactively to
the date(s) and the country(s) indicated
on the attached decision.**

Approved:

for Commissioner of Patents and Trademarks

This license empowers the filing, the causation and the authorization of the filing of a foreign application or applications on the subject matter identified above, subsequent forwarding of all duplicate and formal papers and the prosecution of such application or applications.

This license does not empower the filing of any applications, amendments, supplements or continuances originating in this country which disclose inventions, modifications, or variations not disclosed in the subject matter identified above.

This license is to be retained by the licensee and may be used at anytime on or after the date thereof. This license is not retroactive unless specifically indicated.

The grant of this license does not in any way lessen the responsibility of the licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations, especially with respect to certain countries, of other agencies, particularly the Office of Foreign Assets Control, Department of the Treasury; Office of Munitions Control, Department of State (with respect to Arms, Munitions and Implements of War); the Bureau of Trade Regulation, Office of Export Administration, Department of Commerce; and the Department of Energy.

LICENSE FOR FOREIGN FILING

Petitioner: VAN DER GIESSEN, et al. :DECISION ON REQUEST
Petition No.: 10/533,135 :UNDER 37 CFR 5.25
Petition Filing Date: 01 November 2006
Docket No.: 066511.0111

Title: PHARMACEUTICAL COMPOSITIONS AND USES COMPRISING MUCUNA PRURIENS SEED POWDER AND EXTRACTS THEREOF IN THE TREATMENT OF NEUROLOGICAL DISEASES

This is a decision on the petition for retroactive foreign filing license.

It has been determined that a retroactive license for foreign filing under 35 U.S.C. 184 be granted with respect to the filing(s) listed below. The petition complies with 37 C.F.R. 5.25 in that there is an adequate showing that the subject matter in question was not under secrecy order, that the license was diligently sought, and that the material was filed abroad without the required license under 37 C.F.R 5.11 through error and without deceptive intent.

LICENSING & REVIEW

Sir:

Pursuant to 35 U.S.C. § 184, Applicants respectfully request that the Honorable Commissioner of Patents, grant a retroactive foreign filing license to October 30, 2002. Applicants petition that the license be granted retroactively because Applicants filed a corresponding application abroad prior to issuance of a foreign filing license through error and without deceptive intent, and because Applicants believe that the application does not disclose an invention within the scope of Section 181 of this title.

Applicants respectfully submit that European Patent Application No. 02024475 2, which was filed on October 30, 2002, and Patent Cooperation Treaty Application No. PCT/EP2003/010975, which was filed on October 2, 2003, were filed prior to issuance of a foreign filing license in the corresponding U.S. Patent Application Serial No. 10/533,135, which was filed on April 29, 2005, by Rob Van Der Geissen et al., and is entitled **PHARMACEUTICAL COMPOSITIONS AND USES COMPRISING MUCUNA**

PRURIENS SEED POWDER AND EXTRACTS THEREOF IN THE TREATMENT OF NEUROLOGICAL DISEASES. In support, Applicants further submit a Verified Statement of Facts by Assignee European attorney, Dr. Joachim Wachenfeld.

Applicants respectfully request that an **expedited**, retroactive foreign filing license to October 30, 2002, be granted in accordance with 37 C.F.R. § 5.25. Applicants' representative respectfully requests that the U.S. Patent and Trademark Office (PTO) charge the amount of \$200.00 covering the requisite fee under 37 C.F.R. § 1.17(g) for such a Petition to the undersigned's Deposit Account No. 02-0375. Nevertheless, in the event of any variance between the fees determined by Applicants and the fees determined by the PTO, please charge or credit any such variance to the undersigned's Deposit Account No. 02-0375.

Respectfully submitted,
BAKER BOTTS L.L.P.
